Ready to Use Formula

Non-Toxic

Biodegradable

Non-Abrasive

CLEAN, SHINE & PROTECT

How To Use:

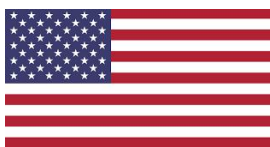

Say goodbye to constant cleaning with the premium protectant that repels dirt and dust, dissolving existing messes and leaving a lasting shield on your kitchen, bathroom, sink, refrigerator, stove, or any other high-traffic area. Tough on stubborn messes, yet gentle on surfaces, our biodegradable formula goes the extra mile, delivering a brilliant, scratch-free finish that preserves the clean and pristine condition of your appliances

Rating: 4.8/5 ★★★★★

“This stainless steel cleaner works very well. You spray, wipe then come back and buff with a clean cloth. My refrigerator door is now spot free and streak free. Highly recommend!”

“This stainless steel cleaner spray is great. The scent is pleasant but strong and it’s easy to use. The spray nozzle works well and I like that it has a lock on the cap. I think it’s high quality and good value too.”
